LoginDetail.com is the perfect service that helps people all over the world find the right login pages for thousands of websites around the world. One of the advantages of being (current or encouraging) owner of Hyundai or lessee is to participate in the free Hyundai Rewards program. The points-based system allows you to earn points with many daily online purchases and paid car services from a participating Hyundai dealer. You can use your points for cash rewards to put to your next Hyundai purchase or rental. How do I sign up for Hyundai Rewards? It's easy to get started with Hyundai Rewards - just sign up for MyHyundai in myHyundai.com/Rewards. It takes about 60 seconds to fill out a simple information form, log in and click on the Rewards link. Then you can sign up for the program. All US residents aged 18 and over are eligible to participate in the program - you don't even have to own a Hyundai or lessee yet! Hyundai Rewards will help you save money for your first or next Hyundai car. However, individual vehicles can only be assigned to one person at a time (up to four Hyundai cars per person). As long as you have a VIN of a particular vehicle and it is not yet registered in the program by another user, you can include that Hyundai car in your MyHyundai account. To get service points, the vehicle you take to the dealership must be registered MyHyundai.com. New and borrowed vehicles can be credited and earn points with Hyundai Rewards.
